

Kitten Vaccination Plan

At AllPets Animal Clinic, we are dedicated to providing quality health care for your kitten.

This wellness plan will provide an affordable choice in properly caring for your new pet's first year of life. Typically, a kitten's first veterinary visit starts at 6-8 weeks of age and would include the following recommendations through 16-20 weeks of age.

20% discount

WITH Our Kitten Wellness Plan

Total cost for the typical first five months of veterinary care:

\$635.78

Savings with our 20% discount Kitten Wellness Plan

\$127.16

YOUR COST WITH TAX

\$539.14

The Kitten Wellness Plan will run six (6) months from the time of sign-up. **No refunds will be granted for the program under any circumstance. Payment in full is expected at the time of enrollment.**

I understand the Kitten Wellness Plan as explained to me and I wish to enroll my pet, _____, in the program.
